A DAY BY DAY ACCOUNT OF THE ROUTE

DAY 1: Arrival in Alta Pusteria (Villabassa/Dobbiaco)

Individual arrival at the hotel in Dobbiaco/Villabassa. Free, unguarded public car park near the hotel.

DAY 2: Villabassa/Dobbiaco - Val Fiscalina Sesto - Villabassa/Dobbiaco (approx. 15 - 30 km)

In the morning, a transfer will take you to the start of the Val Fiscalina. The trail through the idyllic Val Fiscalina in Sesto is undoubtedly one of the most scenic in the Dolomites. The rugged Dolomite peaks of the Sesto Sundial with the Zehner, Elfer, Zwölfer and Einser seem close enough to touch. The perfectly groomed trail then takes you across meadows, fields and through snow-covered winter forests from the mountaineering village of Sesto to San Candido and on to Dobbiaco. It is possible to shorten the stage by bus and train.

DAY 3: Villabassa/Dobbiaco - Valle di Braies (approx. 10 - 26 km)

Starting from Dobbiaco, you glide over wide snow fields, past the beautiful village of Villabassa, into the unspoilt Braies Valley. At the end of the stage, a shuttle bus takes you to the hotel on the unique Prato Piazza high plateau. You can extend the tour by taking a round trip to Lake Dobbiaco.

DAY 4: Circular trail Prato Piazza (one lap approx. 6 km) and snow shoe hiking to Monte Specie

Today's cross-country day is dedicated to the exploration of the well-known high plateau. At the foot of the Croda Rossa and the Picco Vallandro, you can trace your tracks in the snow on the circular trail. There is also the option of taking a snowshoe hike to the Monte Specie. If the air is clear, you can enjoy an unforgettable panoramic view of the Dolomites of Sesto and Ampezzo from there.

DAY 5: Val Casies – Villabassa/Dobbiaco (approx. 10 - 40 km)

In the morning transfer from Prato Piazza to Monguelfo/Val Casies. You ski on the wide, sunny valley floor through dreamy winter landscapes and past picturesque farmhouses. Several restaurants along the route invite you to stop for a refreshment. Depending on your motivation, you can go back to Monguelfo and from there across the fields to Villabassa or Dobbiaco. Otherwise it is possible to shorten the stage using public transport.

DAY 6: Villabassa/Dobbiaco – Valle di Landro/Cortina d'Ampezzo (approx. 10 - 35 km)

Starting from the cross-country skiing center Nordic Arena, where the world's best cross-country skiers every year compete for important World Cup points on the challenging circular trails, you can glide on the line of the former Dolomites railway into the Landro Valley. You can decide whether you like to stop for apple strudel and coffee already at the lake of Dobbiaco, continue to the "Three Peaks View" and take a look at the symbol of the Dolomites, or to Cimabanche, the border between South-Tyrol and Belluno. Along the way, you will also have the opportunity to visit Cortina.

DAY 7: Departure

Individual departure or possibility to extend your stay.
